Pizza & Pilots!

Monday, October 29, 2012
CCTS Conference Room
(C315, Chandler Medical Center)

12:00 - 12:45
“How to Write Good Objectives”
Dr. Emily Van Meter

Clear and concise objectives are crucial to the development of research protocols. Dr. Emily Van Meter will speak on the importance of writing good objectives and give tips for writing more effective objectives.

12:45 - 1:15
Working session on writing and editing objectives

Come prepared to work on developing and/or editing study objectives.

1:15 - 1:45
Open consultation time with the BERD

Sponsored by the Center for Clinical and Translational Science

Pizza & Pilots is a regular series offered by the BERD and sponsored by the CCTS on the last Monday of each month.

What’s a BERD?

Biostatistics, Epidemiology, and Research Design

We provide
♦ Consultations on study design for clinical trials, community-based participatory research, and population-based (epidemiologic) studies
♦ Quantitative data analysis
♦ Protocol review

For
♦ Pilot studies
♦ Grant submissions
♦ Publications

Richard Kryscio, PhD (Director)
