

Volunteers Needed for a COVID-19 Vaccine Study

Researchers at the University of Kentucky invite adults 18 years and older to participate in a research study to help identify the best combination of vaccines against COVID-19 variants.

You may be eligible to participate if you:

- received at least 3 doses of an RNA-based COVID-19 vaccine
- have never had a previous allergic reaction to vaccines
- have not had a SARS-CoV-2 (COVID-19) infection within the past 60 days
- are not pregnant
