

Do You Drink Alcohol and Use Cigarettes?

If so, researchers at the University of Kentucky are inviting you to participate in a research study **regarding** cigarettes and alcohol use. Participants will take part in a 5-session strictly confidential alcohol and cigarette consultation. Each session will last approximately 2 to 8 hours. Qualified participants will be compensated for their participation. Travel expenses may be reimbursed.

You may be eligible to participate if you:

- Are 21 years or older
- Consume alcohol regularly
- Use tobacco products/smoke cigarettes

To see if you may be eligible to participate, visit
