

Alcohol Research Opportunities

Researchers with the University of Kentucky College of Medicine, Department of Behavioral Science, are conducting research to examine the behavioral effects of medications and alcohol. All information obtained will be kept confidential.

You may be eligible if you are:

- between the ages of 21 and 55
- use alcohol regularly

Research is conducted on both an in-patient and outpatient basis. Eligible volunteers will be paid for their participation. You may be reimbursed for travel. For more information and a confidential interview, please call **859-257-5388**.
