

Do you have rheumatoid arthritis?

Researchers at the University of Kentucky College of Nursing and Division of Rheumatology are conducting a study to investigate the effects of a program designed to improve care for patients with rheumatoid arthritis.

Participants will be compensated for their time.

You may be eligible to participate if you:

- Are 18 years of age or older;
- Have a diagnosis of rheumatoid arthritis confirmed by a health care provider;
- Have access to the internet and/or email;
- Have access to a telephone; and
- Speak English.
