

How has the COVID-19 pandemic affected you?

The Kentucky Neuroscience Institute is conducting a study to learn how the 2020 Coronavirus pandemic (COVID-19) has affected people. We are studying the psychological, social, physical, and emotional effects of social/physical distancing during this time, and what activities people are engaging in.

People who complete the 30-minute survey can enter to receive a \$100 VISA gift card.

If you are interested in participating in this study, please visit <https://bit.ly/2Z6SdGG>, or scan the QR code with your smart phone.

You may be eligible to participate if you:

- Are an adult between 18-70 years of age
- Have access to a computer or smartphone
