

HEALTHCARE WORKERS INVITED FOR COVID-19 PREVENTION STUDY

Researchers at the University of Kentucky are inviting you to participate in a research study to test an antiseptic nasal spray and oral gargle to protect front-line providers against COVID-19. Participants will be given a COVID-19 swab test as well as a questionnaire assessing study eligibility.

You may be eligible to participate if you:

- Are a front line healthcare worker working with COVID-19 patients
- Have tested **NEGATIVE** for COVID-19
