

Do You Have Experience Using Mobile Technology?

Researchers at the University of Kentucky are conducting a 20-minute survey to better understand the experience of using mobile technology during the COVID-19 pandemic. This research will explore the factors that influenced mobile technology use. The findings from this research will be used in improving people's access to mobile technology.

You may be eligible to participate if you:

- Are currently living in the United States of America
- Speak English and are 35 years of age or older
- Have experience of using mobile technology (e.g., smartphone, tablet, laptop)
- Have never participated in this research before
- Spend at least three minutes completing the survey

Once enrolled, you'll be asked to fill out an online survey.

There are three ways to get involved:

1.) Scan the QR code.

2.) Visit: https://uky.az1.qualtrics.com/jfe/form/SV_ah3MULL3hLH19dQ

3.) Log in to your Amazon Mechanical Turk (MTurk) worker account to access the survey (Please search HITs: "Mobile Technology Use During the COVID-19 Pandemic")

An Equal Opportunity University
