

Healthy Black Women Invited for Research Study

Researchers at the University of Kentucky College of Nursing are inviting you to participate in a research study to promote cervical cancer screening using HPV self-sampling. Participants will take part in an educational session, complete surveys, and complete an HPV self-test. Participants will receive a gift card upon completion of the study.

You may be eligible to participate if you:

- Live in Kentucky
- Are a Black women between the ages of 30-65 years
- Read and speak English
