

KENTUCKIANS: TELL US WHAT YOU KNOW ABOUT LUNG CANCER SCREENING

The University of Kentucky is conducting a statewide survey on lung cancer screening risks, benefits, and outreach efforts. The survey asks for your thoughts and feelings about behaviors tied to lung cancer. If you decide to participate, the researchers will send you a \$5 e-gift card as a thank-you for your time after completing the survey.

ELIGIBILITY REQUIREMENTS

- ✓ Resident of Kentucky
- ✓ Ages 35 to 80
