

Cocaine Treatment Opportunities

Researchers at the University of Kentucky College of Medicine, Department of Behavioral Science, are conducting research to examine a new potential treatment for cocaine use. All information obtained will be kept confidential.

You may be eligible if you are:

- Are at least 18 years of age;
- Actively using cocaine; and
- Seeking treatment for cocaine use.

Research is conducted on an outpatient basis and consists of 30 sessions over 12 weeks. Eligible volunteers will be paid for their participation and may be reimbursed for travel. For more information and a confidential interview, please call 859-257-5388 or 1-866-232-0038 or visit go.uky.edu/24HR
