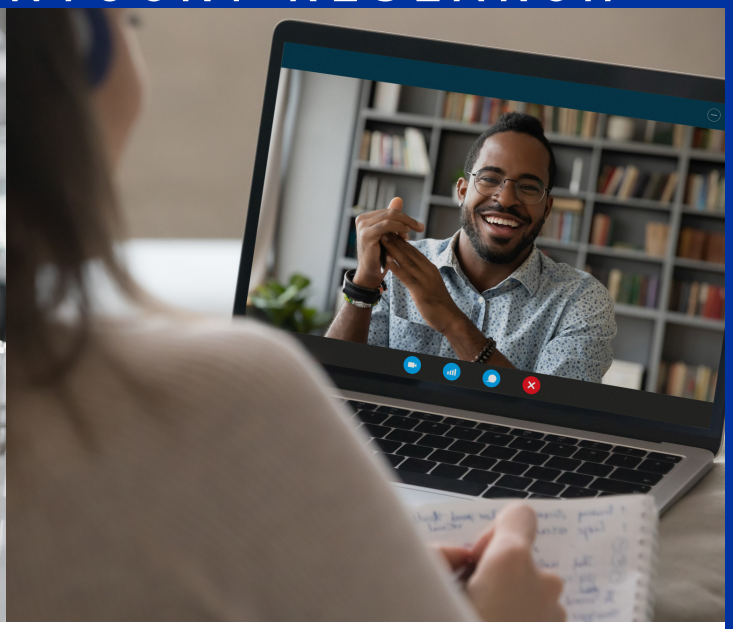
UNIVERSITY OF KENTUCKY RESEARCH



Help us Improve Dietary Research
Nutrition Scientists and Research Personnel Needed

Researchers at the University of Kentucky are conducting a study to improve data collection methods for dietary research. By sharing your experiences, research personnel can help shape and improve the quality of future research in this area.

What to Expect:

- a 30–45-minute recorded interview (video conference or in-person)

You may be eligible to participate if you are a:

- Researcher, study coordinator, graduate student, research assistant, and others involved with human research projects

Participants will be compensated $30 for their time.
