

THINKING ABOUT WEIGHT LOSS SURGERY? WE WANT TO HEAR FROM YOU

Researchers at the University of Kentucky College of Medicine are conducting a research study to better understand the effects of weight loss medications that are taken before a weight loss surgery.

**You may be eligible to participate if you
are 18 years or older and:**

- qualify for laparoscopic or robotic sleeve gastrectomy, or gastric bypass surgery
- have a BMI of 40 or higher
- have NOT used nicotine in the last 30 days, or are planning to quit
